- a. The fund was under spent by Rs11,900.00. With your permission the surplus cash will be handed over to the local community in Bhumlichok Bichaur for paint work of their communal toilet.

Conclusion:

6. The post earthquake rebuilding/restoration of community toilet at Bhumlichok VDC has completed successfully. The locals participated fully from the beginning of the project until the end. Restoring the damaged community toilet facility to far better condition than it was prior to earthquake damage mean a lot to many in Bhumlichok DVC and in particular the mothers group, who are the main beneficiaries.
7. All locals who would benefit from restoration of earthquake damaged community toilet facility, have requested with the Rotarians present that their “NAMASTE and Thank you” be passed on to EIFION TRUST, which THE HIMALAYAN GURKHAS are proud to do so.
8. On behalf of every member in RC THE HIMALAYAN GURKHAS, we thank EIFION TRUST for their kind donation of fund.
9. We are proud to be your trusted Rotarians in the frontline.

INFORMATIVE PHOTOGRAPHS:

Devastated by Earthquake 2015

The locals came to learn when the news of arrival of money donated by EIFION Trust arrived Bhumlichok

Rtn Garja hands over water and sanitation facility to the village community on behalf of EIFION Trust

Water and sanitation facility is attached, conveniently, to the back of the community hall.

Ribbon is cut on behalf of EIFION Trust before the facility is allowed to be used by the locals.

The Marble is placed on a prominent place outside the newly restored facility.
