Dear Ann,

Thank you for the wonderful donation of £3,000 towards REMIT.

Our registered status qualifies our work undertaken eliminating Malaria and your support is much appreciated. My apologies that our websites [www.remit.org.uk](http://www.remit.org.uk) & [www.remarag.org](http://www.remarag.org) are currently under reconstruction but hopefully within the next week or so all will be completed.

We are currently working on six projects of £10,000 each which we hope will be finished during this calendar year your money will be enhanced by 50% through our Rotary Foundation.

I enclose our new leaflet and car sticker, more are readily available.

My warmest regards and if there is anything further I can do please do not hesitate to contact me.

Yours Sincerely

Brian
